

LPG Reels

Liquid Propane Reels

Polished Aluminum

Nordic Series
3900 LPG

Inset: Nordic Series 3900
LPG with optional Hose Boss

Hose Boss

Optional bottom wind
three way hose roller
guide also available.

Aluminum Series 3900 LPG

Rewind: Gear-drive or chain and sprocket drive powered by explosion proof A.C. or D.C. electric motor, compressed air motor or hydraulic motor.

- Full Circle® UL approved swivels.
- Shown with optional direct gear drive for maximum reliability and reduced downtime.
- Shown with Top Wind Three Way Hose Roller Guide (optional).
- The Hose Boss (optional) consists of a rewind switch mounted in an extended arm with two hose rollers. Assists in efficiently and safely unwinding and rewinding hose.
- Heavy duty aluminum construction is light-weight and corrosion resistant.

Steel Series 3900 LPG

Rewind: Gear-drive or chain and sprocket drive powered by explosion proof A.C. or D.C. electric motor, compressed air motor or hydraulic motor.

- Heavy gauge steel construction for maximum durability and long service life.
- Baked on powder coat finish is applied in component form for maximum coverage and corrosion resistance.
- Shown with optional direct gear drive for maximum reliability and reduced downtime. Heavy gauge ANSI #40 (1/2" pitch) chain drive is standard.
- Full Circle® UL approved swivels.
- Shown with optional top wind three way hose roller guide and explosion proof operating switch.

Steel Constructed

Nordic Series
3900 LPG

Optional bottom wind
three way hose roller
guide also available.

Level Rewind

Nordic Series
3900 LPG

Level Rewind Optional Accessory

The level rewind system assists the hose onto the drum by using a traversing guide. The level rewind system aids in proper storage and maintenance of the hose. Contact Reelcraft for all available LPG reel optional accessories.

NOTE: Hose and nozzle not included.

Part No. Example: EP3905-23-20-10FFNPALP51-G

Series 80000 / D80000 - 1/2", 3/4", 1" I.D. Hose

- Full Circle® UL approved swivels.
- Stainless or powder coated steel construction.
- Dual pedestal and guide arm support for structural strength.
- Two sealed ball bearings for smooth rotation on main shaft.

Series 80000
Carbon Steel

Hose not included

Series 80000
Stainless Steel

Hose not included

OPTIONS

Choose a reel model from the chart below, then use the suffix codes below to choose a flange/end plate material.

LP82000 OL

Flange / End Plate Material	
S	Stainless Steel
P	Carbon Steel
