## Hose Reel and Trailer

**Made in USA**

Reelcraft's rugged, self-contained hose reel trailer easily attaches to most off-road vehicles or carts and is pre-drilled 12" or 18" for Series 30000 hose reels. Reels hold up to 100' of 1" I.D. water hose.

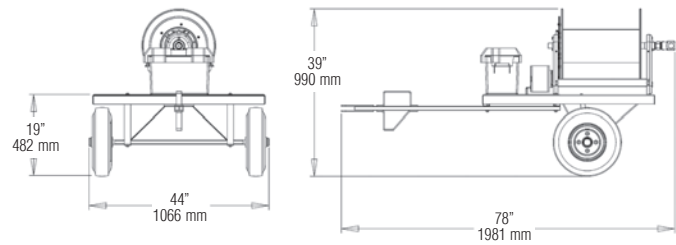

Makes spot watering easier, quicker and more convenient. Applications include golf courses, athletic fields, sports turfs, grounds maintenance, parks and rec, agriculture and nurseries.
