Reel Display Stands

Reelcraft's new reel display stand conveniently displays up to eight reels and features removable universal brackets for ease of mounting. The new stand is almost entirely made of aluminum making it lighter and more manageable. It is easily assembled/disassembled and bears the Reelcraft logo. With reels added, it makes for a handsome presentation that has proven to increase sales.

Benefits

- **Versatility** - Universal mounting brackets are removable, simply fasten and hang reel on stand.
- **Strength** - Stand is made from extruded aluminum and brackets are fabricated from high-grade industrial steel.
- **Convenient** - Reels all mount on the same side enabling stand to be backed up against walls without obscuring the product.
- **Low Maintenance** - Finish on both frame and brackets will not fade and cleans to a shine with soap and water.
