

New Product Announcement | Cord Reel Packages

Cord Reels with Swing Bracket Series L4000

This new package from Reelcraft pairs our heavy industrial cord reels, the Series L4000, with an accessory swing bracket. The result is a more efficient way to supply power and lighting. Reels may be installed in a central location and pay out cord in a 180° arc from the mounting point. Both the reel and bracket are made from high grade industrial steel and receive our durable powder coat paint.

Benefits

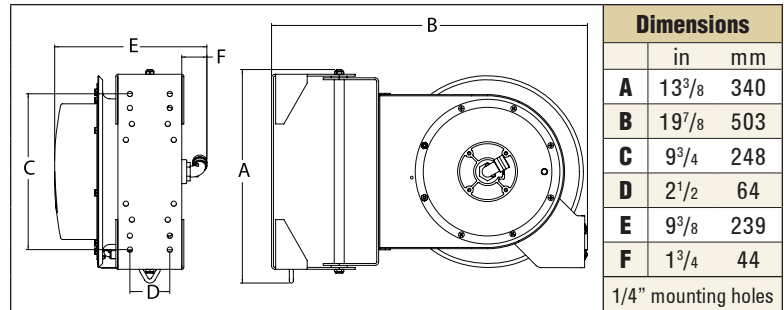

- **Convenience** - Swing bracket pays hose out in several different positions.
- **Long Service Life** - Extend service life of expensive cables by eliminating wear due to angular hose pull.
- **Ease of Ordering** - Order one part number, receive one box and ensure that accessory item matches reel.

Model Shown: L 4050 163 3SB
